About

Second-year BCA student at BIT Mesra (Deoghar) and B.Sc. Data Science & Programming student at IIT Madras. Building full-stack web apps and ML pipelines — projects include an 8-stage ML meal planner, a healthcare platform, and an OSINT maritime dashboard. Passionate about AI, cybersecurity, and real-world problem solving

Skills

Python, JavaScript, TypeScript, React, FastAPI, Node.js, Tailwind CSS, scikit-learn, XGBoost, Supabase, MongoDB, Vercel, PostgreSQL, Claude API, Git

Languages

- English : full professional efficiency
- Hindi : native or bilingual proficiency
- French : elementary proficiency
- German : elementary proficiency

Certifications

01 CS50: Intro to Computer Science

02 Cisco: Intro to Cybersecurity, Networking Basics, Data Analytics Essentials

03 IBM: AI Fundamentals, Web Development Fundamentals

Phone

+91 9973885017

Address

SBITC,
Krishnapuri,
Deoghar - 814112

Social Skills

Communication, Teamwork, Responsibility, Creativity, Problemsolving, Leadership, Adaptive.

Projects

- NutriCore — 8-stage ML meal planning platform
- MediFlow — healthcare platform with AI integrated
- OSINT Dashboard — real-time maritime & airspace tracking
- Deepfake Audio Detection model — ml integrated model
- Portfolio — rajrohit.tech

Educational History

Bachelor of Computer Applications (2025-2029)

Pursuing Bachelor of Computer Applications (BCA) at Birla Institute of Technology, Deoghar (Off-Campus), with coursework in C and computer applications. Gaining foundational knowledge in programming, data structure, and computational problem-solving through academic and practical projects.

Bachelor of Science Data Science and Programming (2024 - 2028)

Pursuing B.Sc. in Data Science and Programming from the Indian Institute of Technology, Madras, currently completed the 1st semester. Developing strong analytical, statistical, and programming skills through hands-on projects in data science, mathematics, and computational thinking.

Higher Secondary (2022 - 2024)

Completed Higher Secondary Education under CBSE curriculum with subjects including Physics, Chemistry, Mathematics, English, and Physical Education and also participating in various cultural and co-curricular activities.

Secondary School (2010 - 2022)

Successfully completed Secondary School Certificate (SSC) / Matriculation under ICSE, building a strong foundation in Mathematics, Science, and English and also participating in various cultural and co-curricular activities.
